Join the Team? Would you consider joining the parish council as we have 2 vacancies? We hold 4 meetings a year and if we have planning applications, have shorter one-off meetings to handle these, so the workload is not too onerous, but is still very important.

The council has a good record: it brought AB Internet to the villages and continues to pursue other broadband opportunities, applied for the Lottery Funding for the Heritage Project from 2008-2010, from which the Heritage Society was created, has started a five-year emergency plan programme including providing defibrillators and has been very successful in applying for grants to fund our plans, is non-political and works well as a team for the benefit of our

community. We are governed by strict legislation and there are rules which apply re qualification for office (such as resident for 1 year before being qualified) which can be found online or from our Clerk, Mrs. V. Brown.

Your councillors: • Gwenda Bell 578256 • Emma Brown 578755 • Joanna Heselwood 665128 • Geoff Keys • Henry Padfield 01526 398373 • John Stuchfield 578091. The council's webpages are hosted on the villages' website at www.mintingandgautby.co.uk/parish-council/
