

Siting of AED equipment

Agreement between Minting and Gautby Parish Council and *GAUTBY VILLAGE HALL COMMITTEE (GVH)*

GVH agrees to allow the installation of an AED and cabinet on the outside wall of GAUTBY VILLAGE HALL in a position agreed with Minting and Gautby Parish Council (eg. On the right side of the Porch).

Minting and Gautby Parish Council agreed to arrange for installation and connection to the electricity supply.

Minting and Gautby Parish Council agree to reimburse GVH for 80p/month for electricity costs to power the unit. ***(2015 figures. This figure to be reviewed at each Annual Parish Meeting.)***

Payment will be made in arrears against an invoice which must be supplied to the Parish Council by GVH in advance of the Annual Parish Meeting in May of each year.

GVH agrees to inform Minting and Gautby Parish Council immediately if they notice any damage or they are aware that the AED has been used.

GVH agrees to ensure that electricity supply is maintained at all times.

Minting and Gautby Parish Council is the owner of the equipment and remains responsible for ensuring the unit is properly maintained and will be insured under the MPGC insurance.

Should GVH wish to withdraw from this agreement, the committee agrees to give MGPC 3 months notice.
